

PRAYER FOR ALL SOULS DAY

November 2, 2020

God, You who are our Creator and Father,
We are gathered here to remember those who have left us this year.

Today our hearts turn to You.
You can give us the comfort of hope
for those who believe in your Father's love,
death cannot be the definitive end of our life.

Open our hearts to your Word of love and life.
May your Spirit speak to our spirit.
May we find in your Word
a light in this hour of sadness,
a certainty in our moments of doubt,
a comfort in our pain,
and a strength in our weakness.

Father God, we pray to You with confidence
by Jesus our Brother and our Lord,
He who lives with You in the communion of the Spirit
for centuries and centuries.

Amen
